RAYMOND BASIN
MANAGEMENT BOARD

Raymond Basin Management Board Announces Construction of the Washington Park Monitoring Well

Azusa, CA — The Raymond Basin Management Board (RBMB) will be constructing a monitoring well to monitor water levels in the Pasadena Subarea of the Raymond Basin. The proposed location for the well is Washington Park, located at 700 E. Washington Blvd. in the City of Pasadena. The well will be constructed in coordination with Pasadena Water and Power (PWP) and the Pasadena Parks, Recreation, and Community Services Department. The Request For Proposal (RFP) was released June 7, 2024 and the deadline for bid submittal was July 8, 2024. The contract was awarded to BC2 Environmental with a bid total of \$205,292 on August 19, 2024.

Timeline

- **Construction Notice:** Construction notice (in English and Spanish) will be mailed to Pasadena residents within a 500-foot radius of the construction site and signs will be posted at the site 30 days before construction.
- **Contractor Mobilization:** Anticipated early October 2024.
- **Construction:** Anticipated to begin by early October 2024 and completed within 60 days.

Contractor Contact Information

- Kurt Magee | Operations Manager
- 714-926-9136

Construction Hours

- Monday – Friday: 7 AM to 7 PM
- Saturday: 8 AM to 5 PM

Additional Information

During the construction phase, up to 11 parking spots on the eastern side of the Washington Park parking lot will be fenced off for construction equipment. The Contractor will be required to comply with the City of Pasadena Noise Ordinance, implement the necessary measures to mitigate noise levels, ensure public safety around the work area at all times, and keep any other inconveniences to a minimum during construction.
